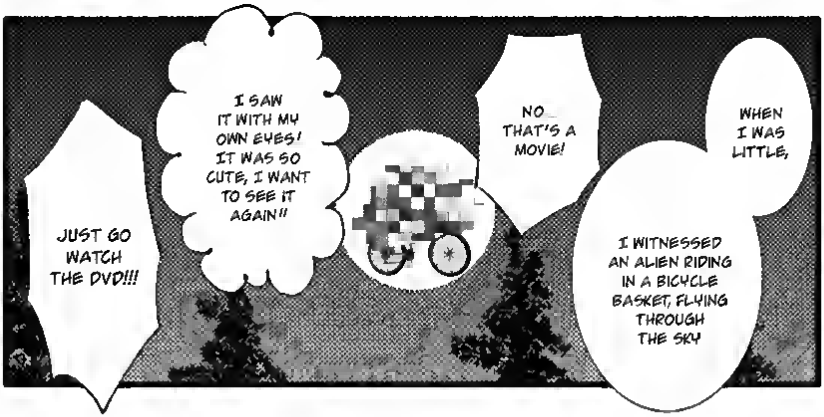
I DON'T NEED
SHINING STARS OR GRAND DELUSIONS ABOUT THE UNIVERSE, IN MY LIFE.

I'M SEARCHING FOR A SOUND FROM SPACE FROM 138 MILLION YEARS AGO
Tolerate it.
DON'T DO IT HERE!!
CAN YOU STOP BEING SO NOISY WHILE SOMEONE'S TRYING TO EAT THEIR LUNCH?!

YOU CAN'T TELL ANYONE, OKAY?

WHY DO YOU LIKE SPACE SO MUCH?



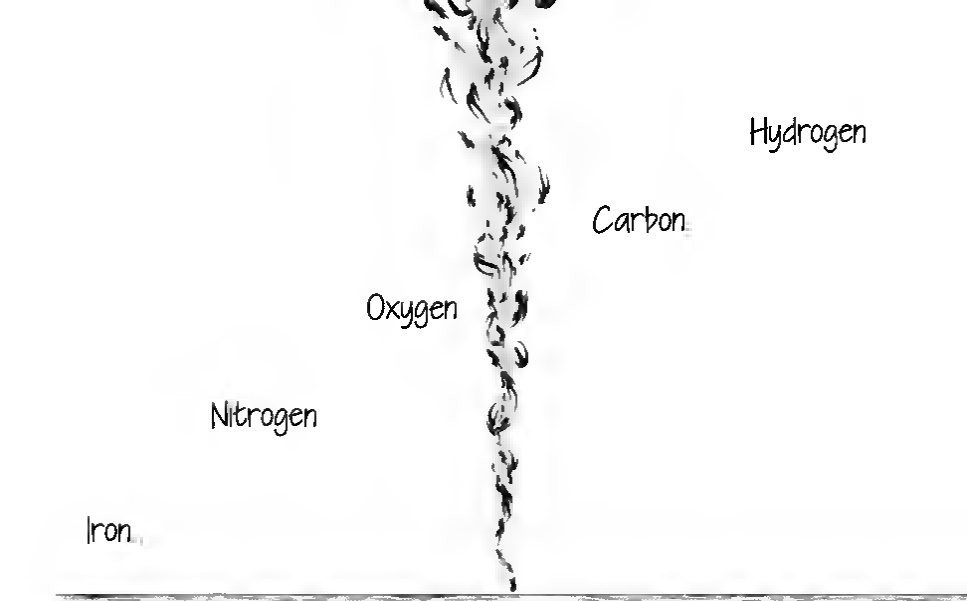
JUST GO WATCH THE DVD!!!
I SAW IT WITH MY OWN EYES! IT WAS SO CUTE, I WANT TO SEE IT AGAIN!!
NO... THAT'S A MOVIE!
WHEN I WAS LITTLE,
I WITNESSED AN ALIEN RIDING IN A BICYCLE BASKET, FLYING THROUGH THE SKY

WHY DO YOU REFUSE TO ACKNOWLEDGE THE UNIVERSE'S POTENTIAL SO MUCH, TOMONAGA?
IT'S ILLOGICAL.
IT'S A FOOLISH DELUSION THAT RUINS PEOPLE.
THAT'S THE LESSON I LEARNED
LE-LESSON...? DID YOU HAVE AN EDUCATIONAL MOM OR SOMETHING?
Your mom sounds scary.

MY MOTHER

DIED WHEN I WAS SIX YEARS OLD.

But when I was in elementary school, my classmates made fun of me.
"There's no way humans can turn into stars."
"Isn't that Venus?"
I WAS FRUSTRATED,
SO I DESPERATELY RESEARCHED IT.
AND WHEN I DID,
I FOUND OUT THAT HUMANS COULDN'T TURN INTO STARS.
My father pointed to the shining star in the west sky
MAMA
HAS TURNED INTO THAT STAR.
SHE'S ALWAYS WATCHING OVER THE EARTH FROM THE UNIVERSE.



Hydrogen
Carbon
Oxygen
Nitrogen
Iron

THAT'S WHY I DERIVED FROM MY BELIEFS THAT—
WAAH!

AND AT THE SAME TIME, I RESENTED MYSELF FOR BEING SO IGNORANT AND FOOLISH.

BUT WHEN I FOUND OUT IT WAS A LIE, I WAS DISTRAUGHT

I BELIEVED THAT MY MOTHER WAS SOMEWHERE IN THE UNIVERSE,

YOUR MOM DEFINITELY EXISTS SOMEWHERE IN THIS UNIVERSE, KAIRI!!
I'LL DEFINITELY PROVE IT TO YOU!
HAA ?!

Parallel Universe
The belief that there are other universes that are similar to the one we exist in right now.
Another universe where your mom might be alive.
Warp
The universe we're in right now
A similar, yet different universe
Another similar yet different universe
WE'LL BE ABLE TO TRAVEL TO ANOTHER UNIVERSE WHERE YOUR MOM IS ALIVE!!
IF MOVEMENT TO A PARALLEL UNIVERSE BECOMES POSSIBLE,
AFTER COMPLETING THE WARP MACHINE,
Bang
PARALLEL COSMOLOGY IS FULL OF HOLES. IT'S STILL NOT PERFECT.
IS THAT SO!?
clatter
clatter
clatter
N-
NO NO NO!!
THAT'S IMPOSSIBLE
Plus parallel universes and people becoming stars are two completely different subjects

IF IT'S NOT PERFECT,
THAT MEANS THAT NOTHING IS IMPOSSIBLE IN THE UNIVERSE!
YOU'RE ACTUALLY QUITE WELL-INFORMED ABOUT SPACE, TOMONAGA.
DO YOU ACTUALLY LIKE IT?!
WHAT I KNOW IS JUST GENERAL KNOW-LEDGE
ARE YOU SERIOUS?!

A universe like that existed...?
What if
...
RIDICULOUS.
But
If

It existed

WHAT IS THIS?!

I ONLY INVITED YOU, TOMONAGA!
...YOU'RE BEING NOISY.
DID YOU NOTICE IT!? OH MY— OH MY—
OH.
BY THE WAY, WHAT'S THAT THING OVER THERE THAT LOOKS LIKE A KOTATSU*?
A kotatsu?

T/N: Kotatsu is a common household furniture used in Japanese homes. It is a low, wooden table covered by a heavy blanket. Underneath it is a heat source, often built into the table itself. It is commonly used during winters to keep warm.

DO YOU REALLY NEED THIS FRAME?!
THIS WARP MACHINE IS THE TYPE YOU HAVE TO LIE DOWN UNDER.
